Jasmine Estates Construction Update: July 3, 2025

Construction related activities will begin on July 7th. This will include material delivery of roofing supplies. Roofing materials will be delivered to the rooftop of each building, for the week of July 7-11th, expect deliveries to the orange shaded area below.

Roofing reconstruction will begin on July 14th. We are expecting to begin on building #1 and work sequentially. All residents will get a notification of work commencement on their building at least a day before construction.
