RE: Wildflower Community Update Letter February 3, 2022

Hello everyone,

As most of you know, restoration work has begun at Wildflower. This letter is a quick update and a request for the next set of building unit owners/tenants to reach out to us and to get ready for their units restoration. The schedule on our website for next week is firm.

We are requesting the following unit owners reach out to us at wildflower@ccmgpro.com and supply the following: Name, unit number, phone and email.

Building D (units 464-474). Scheduled for Monday and Tuesday, February 7-8.

Building H (units 412-422). Scheduled for Wednesday and Thursday, February 9-10.

Building I (units 400-410). Scheduled for Friday and Saturday, February 11-12.

Also, please let us know if you are having CCMG clean your contents.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Benglen & Brad Oberg'.
