## Jasmine Estates Construction Update: July 3, 2025

Construction related activities will begin on July 7<sup>th</sup>. This will include material delivery of roofing supplies. Roofing materials will be delivered to the rooftop of each building, for the week of July 7-11<sup>th</sup>, expect deliveries to the orange shaded area below.

Roofing reconstruction will begin on July 14<sup>th</sup>. We are expecting to begin on building #1 and work sequentially. All residents will get a notification of work commencement on their building at least a day before construction.
